

What does fully managed payroll mean for you?

## What is fully managed payroll?

A fully managed payroll service means that we can take care of every aspect of your payroll for you.

You can focus on your core business activities, while we handle all the intricacies of payroll management.

Our robust and secure cloud-based managed payroll system covers all the essentials, including:

- ✔ Streamlined data input and processing - regular and accurate payment to employees, including calculations for bonuses, overtime, and deductions
- ✔ Convenient online distribution - secure online delivery of employer reports and employee payslips
- ✔ Flexible digital reporting - clear, comprehensive payroll reports for better business decision making.
- ✔ Real Time Information (RTI) Submission - immediate reporting to HMRC, ensuring compliance and accuracy
- ✔ Year-end returns - comprehensive year-end reporting, including P60 distribution
- ✔ Reliable payments - timely payments to employees, HMRC, and pension providers, as well as attachment of earnings orders
- ✔ Absence Management - calculation and management of paid time off, sick leave, and all parental leave
- ✔ Auto Enrolment - management of pension contributions in line with auto enrolment legislation
